Volume 2010, No. 1

## President's Report

Gentlemen: we have had several trustees meetings since I last reported to you. We are extremely pleased to report that we retained the scholarship cup with a 3.25 house index. The active chapter had a 3.37 gpa. The all fraternity average was 2.97, and the all male average was 2.93. More than half the house was involved in vespers in December and we hold several student offices.

We recruited two wrestlers. Since the number of men living in the house is increasing, we need more usable rooms. This demands returning all of the lower floor of the brick annex to living quarters and weatherproofing the west addition with new state of the art windows and siding. We will need financial help to accomplish this! Give the active chapter credit for all the hard work and accomplishments of these last months.

## Grades GPA Grades

The alumni chapter should know about the general progress of the Chapter this semester. First of all, scholastically they are

still doing a great job. At midterms they had a 3.5 GPA. They have recruited 8 new members during the last semester and 7 of them have already gone through initiation. They are planning to make another large push for new members when they return from holiday break. The Chapter continues to maintain their high level of involvement on campus including: band, Senate, IFC, Theatre, and tutoring just to name a few. Members of the chapter have also started a bible study that meets every week. Meetings have continued to run smoothly throughout the semester. Overall, they have had a very successful and productive semester and plan to carry their success into 2010!

## One Hundred 5 Years

Baldwin City, May 22, 2010 mark your calendar to celebrate 105 years of Zeta Chi.

## Fifty Years, Class of '60

If you know a Zeta Chi from the class of '60 please contact him and encourage him to attend stag this year. Contact one of the trustees if you are interested in heading up a class project for the class of '60.

## Twenty-five Years, Class of '85

If you are a member of the class of '85 please contact your Brothers about a class project. The goal is to have 100 percent of the class attend stag. Do you remember the good times? Do you remember Ramble?

In addition to just attending stag, this year the 25 year class will have a class project to benefit the house.

## Grand Memories

At stag much of the conversation centers on the telling and retelling stories of days gone by. In turn, they will show up in this newsletter. It may be old news, but for some it will seem like just yesterday.

Write down your grand memory and send it to the alumni association or the newsletter, [BobBurnham77@yahoo.com](mailto:BobBurnham77@yahoo.com). As many as possible will be published in the newsletter. If there are enough then we may be able to publish them altogether. So, keep them coming.
