January, 2004
Volume 2004, No. 1

Crimson and Gold Rush

ZX pledged 9 new members. These nine men have continued to boost the numbers in the house after a disappointing Rush two years ago. It is expected that these new men of Zeta Chi will be great assets and bolster the house's leadership. The house continues to strive for leadership on campus in many ways.

The house worked hard to achieve this year's result. The alumni need to be part of Rush every year. Our assistance can help to make a difference in the Rushing results. We need to plan on spending several nights at the house during rush. All of this hard work has paid off with a success in the past and it will pay dividends in the future.

Thanks Rush Chairmen for all that you have done for the house.

Denver Zeta Chi Attend Baker Alumni Meeting

Baker University Alumni Relations held a luncheon for all of the alumni in the Denver area, January 10, 2004. Two Zeta Chi's, Marty Roger '70 and Bob Burnham '77

attend the meeting held at the DiCicco's Italian Restaurant in Arvada, CO.

Bill McCollum spoke to the crowd of twenty about the recent changes at Baker. Although alumni in the area go back as far as the 1930's those at the luncheon ranged from 1950's to 1990's. Cindy Belot, Director of Alumni Relations, organized the gathering and said that it will become an annual event.

A similar event was held in Colorado Springs the next day, January 11, 2004, at the home of Steve and Cheryl Ferrell, both '74. Zeta Chi, Rich Knudsen '74, attended this event.

If you live in the Denver or Colorado Springs area look for these events about the same time next year. If you did not get a notice from Baker about this event and would like to receive it next year contact Bob Burnham, P.O. Box 302 Idaho Springs, CO 80452 or send email to the following, BobBurnham77@yahoo.com

Harry McPhail will be Missed

Harry McPhail, a Zeta Chi from the class of 1932, passed away in August 2003. Services were held on Saturday at 2pm in Topeka at the Alders Gate village retirement home. There were only four Zeta Chi's that graduated that year and now there is one fewer. This spring would have been 72 years.

Zeta Chi 2002 Golf Tournament

The fourth annual Zeta Chi golf tournament was held on September 20th at the Country Creek Golf Course just South of Lee's Summit, Missouri.

The winners again.

Bob Shoaf and son Michael

Kurt Jorgensen and the "Ringer" his neighbor and lets call him Jerry.

The key to the team that held it them altogether. Dennis "tin cup" Krebs

An amazing time was had by all self proclaimed golfers. The jury is still out on the score of the Mike Bandre, Brendon Webb, Doug Oswald, and John Austin team. The official scorer received a scorecard with a "+2" on it. Not good enough to win by any means, but I am sure they had an interesting time coming up with a score that was respectable but not in contention. What do you expect from a team who's anchorman is the backbone of "Four Fired Chickens and Coke"?

Watch out for the team of Jason Taylor, Larry Kutcher, Dave Dufresne, and a guy named Manny. Well you don't have to worry about Dave if you are golfing; he'll still be in bed. If you are driving range and Jason in the 10th tee box run for cover. Trust me on that one. My oh my can Larry hit that ball.

Dennis Seager, Merle Parks spent much their time showing Brian Johnson and Jeff Branson the finer points of scramble golf tournament and heckling those teams in front them.

Longest Drive - Bob Shoaf Priest Holmes Autograph

Longest Putt - Brendon Webb - New Wedge

Closest to the Pin - Kurt Jorgensen - T-Bones merchandise

Student Senate-Dan Hicks
Students Activity Council-Matt Clark
Webmaster-Rob List

Pledge Class Officers:

President-Jason Krebs
Vice President- Brandon Weckbaugh
Secretary-James barr
Treasurer- Brett Bertelsen

Dad's Day

Saturday January 17, 2004, was Dad's Day. The house manager, Dustin Sherry, organized this day of projects and fun. The dads of Actives and Pledges were invited to attend a day full of fun and good food. All alumni are also invited to attend every Dad's Day and help with several house repair projects.

Dad's Day is becoming a tradition. This is the third consecutive year. Expect another in the fall. The last one held in November included a football game. Baker did not win that game so lets hope the results are different next time. Everyone had a good time, so look for it to happen again.

Charles Vandever '35	Since I cannot locate any other 90 year olds who would be there I will not be attending. Once again I pass the lamp to Bill Deel.
Charles Neal '37	Hope Lewis Gilles makes it this year, we're a "vanishing group."
Walter T. Brown '33	Not many of us left, but best wishes to all.
Earl A. Webb '35	ZX was a definite pivot in my life. The experience basis for work in Sigma Tau Gamma Fraternity after my transfer to CMSU. I am still active today in the National organization. I feel a part of the Fraternity system and the undergraduates in learning leadership and association with successful Alumni.
"Scoot" O'Bryham '47	Sorry I won't make it to the stag. Have been gone so long I don't see anyone I know.
Charles Easley '43	I look forward to sharing Zeta Chi's 97 annual stag, the 5 p.m. meeting and the 6 p.m. dinner. I realize many changes have been made, on campus, in the city, and in the fraternity, even since my last stag, attended in 1993. We'll have a good time I know. See 'ya.
Steve Ward '49	Had knee replacement surgery recently and am unable to travel yet.
Wm. Sunderwirth '49	Still practicing medicine 40 hours a week; unable to attend the stag as a post grad course at same time. A special hello to Clarence Gardner and Clair Stewart.
Wayne L. Walker '48	Have a great stag night. I hope to make it to the stag in 3 years – the 100 one. Your good work is appreciated.
Tom Leathers '48	Sorry I can't be there. That night they're showing a documentary just produced from one of our company's books.
