## Doug Turner's wife Shawndra will be missed

Shawndra Beauchamp Turner, age 32, of Overland Park, Kansas peacefully passed on Sunday, March 15, 2009 in the comfort of her family.

Shawndra married Doug Turner on August 7, 2004. She was committed to her family, friends, and the medical community. Her love of life, spontaneous wit and infectious laugh will be cherished by all who knew and loved her.

## Potential ZX Brother

Wyatt Burnham was born on May 23, 2009. Both Wyatt's father and grandfather are Zeta Chi alumni, does Wyatt have a choice? Well of course he does. Over the next eighteen years we will see how this saga plays out.

Congratulations to Robin and Tara Burnham on the birth of a future ZX.

## One Hundred 4 Years

Baldwin City, May 16, 2009 marked 104 years of Zeta Chi. In attendance this year was just over fifty brothers. Steve Sublett, the president of the trustees, was the master of ceremonies. The invocation was given and everyone lined up to eat. The meal was excellent as usual. There was more than enough for event the hungriest actives. That might change if we get more of the "old" alumni in the chow line.

Of the 842 registered alumni 49 sent in the response cards and several more replied by email.

Adam Tebben gave the active chapter report. The chapter continues to grow its membership. Zeta Chi's retention is high. The house grade point average was up again this year with ZX ranked first among the fraternities. Work is being done to keep up this trend.

Andrew Lenenberger gave the rush report. The rush program continues to improve. The members present were asked to help out, as is done every year. Kevin found it easy to gather support from this gathering. Over \$600.00 was collected.

Officers were elected for 2009-10. Steve Sublett '58 was retained as president. Jeremy Hogue '06 was elected vice president. Ed Zeller '93 was retained as secretary. Trace Gaskell '94 was retained a treasurer. These officers will need the help of all alumni to lead us in another successful year.

## ZX House Mother

The ZX housemother will return this fall, Amanda Poage. She will live at the house in the housemother's apartment. She has done a wonderful job of decorating the Housemother apartment. Stop by and chat. If your timing is good you might be treated to cookies.

At stag much of the conversation centers on the telling and retelling stories of days gone by. In turn, they will show up in this newsletter. It may be old news, but for some it will seem like just yesterday.

Write down your grand memory and send it to the alumni association or the newsletter, [BobBurnham77@yahoo.com](mailto:BobBurnham77@yahoo.com). As many as possible will be published in the newsletter. If there are enough then we may be able to publish them altogether. So, keep them coming.
